John Bull Pineapple - in every cut!

Keep your customers happy with a brand they know and trust!

There's something nostalgic from the moment you crack open a tin of our Pineapple - that golden colour, the tropical aroma, the familiar flavour. It's the kind of product that's been in Aussie pantries for generations, and still earns its place on shelf today.

Available in crushed, sliced, pizza cut and slenders.

Our packaged fruit and vegetables are delivered ripe and ready-to-serve with no prep and no waste. They are packed for freshness and portion control, ideal for a variety of customers.
